Day-by-day itinerary

Day 1: Arrival in Ferrol

When you check into your hotel, you will receive your Welcome Kit, which contains all the information you need to fully enjoy this self-guided walking holiday.

Accommodation: 3-star hotel

Day 2: Walk from Ferrol to Pontedeume (29 km | 17.98 miles)

The first stage from Ferrol is long but beautiful, following the coast for much of the way. It begins at Curuxeiras quay, passes San Xulián Co-Cathedral and skirts the Ferrol estuary along wooden walkways through the salt marshes. The route continues through Neda and Fene, known for its shipyards, before reaching the peaceful pinewoods and beach of A Magdalena in Cabanas. The final stretch crosses the medieval bridge over the River Eume into Pontedeume.

Accommodation: country hotel | **Meals:** Breakfast

Day 3: Walk from Pontedeume to Betanzos (20km | 12.4 miles)

The stage begins with the toughest climb of the Camino Ingles: a demanding two-kilometre ascent out of Pontedeume. Take it slowly and enjoy the reward at the top: beautiful views and eucalyptus woodland. The route continues through Miño, with its estuary and beaches, before tackling the climb at Matacabalos. Finally, cross the old bridge over the River Mandeo to reach Betanzos, the city of knights.

Accommodation: 2/3-star hotel | **Meals:** Breakfast

Day 4: Walk from Betanzos to Hospital de Bruma (23.4 km | 14.51 miles)

A long, mountainous stage with few services along the way, so leave Betanzos well stocked with food and water. The route passes through villages and eucalyptus woodland, with a stop at Beche Reservoir and its recreational area. The climb continues to the highest point of the Camino Ingles, at 460 metres, offering views of the sea and A Coruña on clear days. The stage ends at Hospital de Bruma, where the route joins the Camino from A Coruña.

Accommodation: country hotel | **Meals:** Breakfast

Day 5: Walk from Hospital de Bruma to Sigueiro (24km | 14.88 miles)

From Bruma Chapel, the Camino crosses the municipality of Ordes, passing through small villages, native woodlands and rural tracks. Along the way, it reaches the churches of San Paio de Buscás and San Xiao de

Poulo, as well as the Trabe Mill and Cubo Bridge. The route alternates between dirt tracks and tarmac roads, passing Senra, A Calle, Carballo and Casanova. In winter, springs can leave some sections waterlogged. After crossing Pereira Bridge and continuing through woodland via Os Carrás and Baxoia, the Camino reaches Sigüeiro, a medieval town and the capital of Oroso municipality. The stage ends at the historic bridge over the River Tambre.

Accommodation: country hotel | **Meals:** Breakfast

Day 6: Walk from Sigueiro to Santiago de Compostela (17km | 10.54 miles)

Crossing Sigueiro Bridge over the River Tambre, we enter the municipality of Santiago de Compostela. The route passes through Marantes and A Lameira de Abaixo before crossing the Tambre Business Park and continuing through Meixonfrío, near the Cruceiro da Coruña and a pre-Roman hillfort. We then descend through the Cancelas district towards the city centre, passing San Caetano, the headquarters of the Galician Government, and the pilgrim monument. Continuing through the historic streets of Pastoriza, Basquiños and Santa Clara, we reach Porta da Pena, a former gateway through the city walls. The route then leads through San Martiño Pinario Square and Rúa da Troia before reaching Rúa da Acibechería, beside the north of Santiago de Compostela Cathedral.

Accommodation: 3-star hotel | **Meals:** Breakfast

Day 7: Departure

After breakfast, prepare for your onward journey. If you have time, consider exploring the historic city of Santiago de Compostela before you depart.
